LANIER VS APPLING 48-0

In the season opener, Lanier stopped every offensive try by the Appling Wildcats, and combined with a great offensive push by star fullback Isaac Jackson, routed Appling 48-0.

Jackson ran for four touchdowns with Robbie Smith, Ralph Clark, and Ronnie Payton scoring one T. D. apiece. Mike Faulk started quarterbacking this game and continued for the rest of the season.

It was a good game, but . . . . . .

"HOW CAN I BE SURE"

LANIER VS MARK SMITH 36-6

A tremendous defense plus the deadly passing (10 out of 17 completions) of Mike Faulk added up to the complete distruction of the Mark Smith Bulldogs, 36-6.

Scoring against the Dogs were Isaac Jackson, Robbie Smith, Ralph Clark, Alonzo Wade, and Charles Haugabrooks. The Big Orange walloped Mark Smith in all statistics, particularly yards rushing 157-26, and yards passing, 152-93.

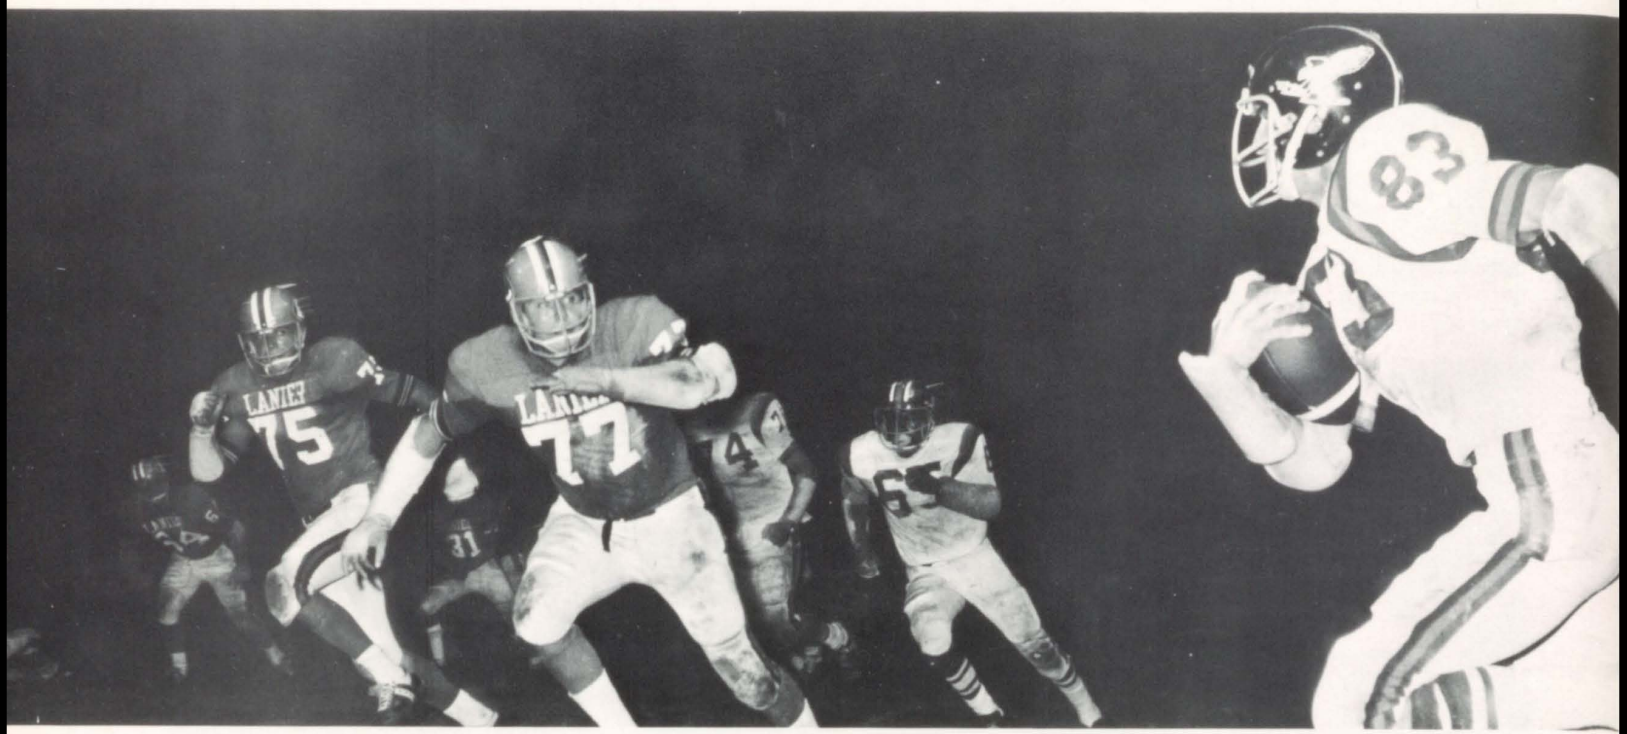
"UP, UP AND AWAY"

LANIER VS BAKER 48-6

Charles Haugabrooks led the Poets by scoring two touchdowns against Baker, defeating them 48-6. Also scoring one T. D. each were Clark, Summers, Jackson, (who was hampered by an ankle injury) Faulk, and Willis.

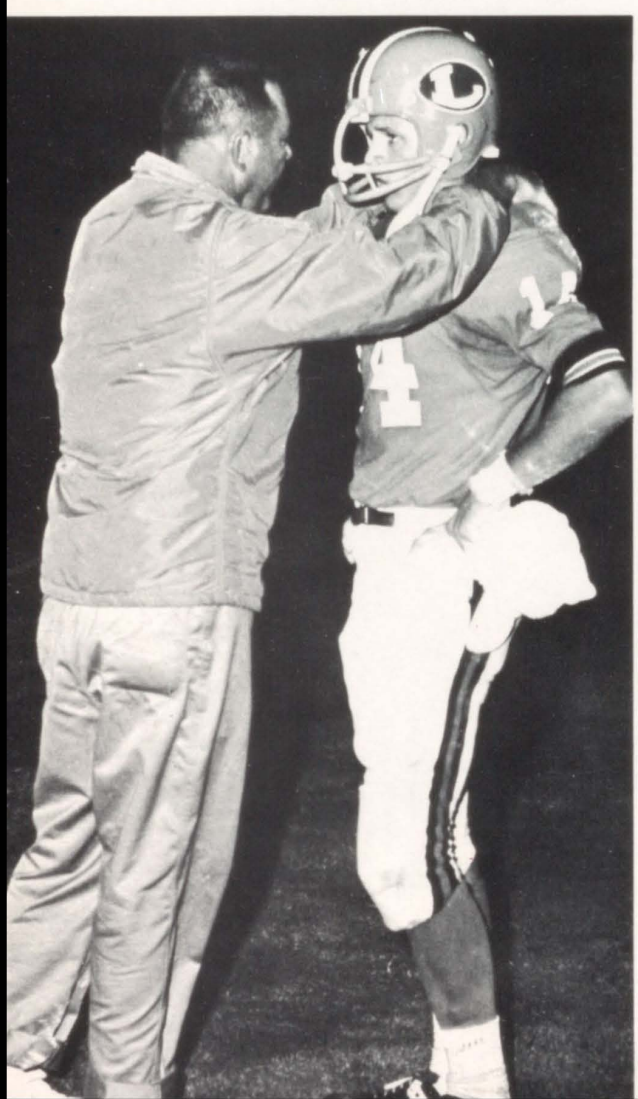
The Lions scored early in the game, running a touchdown from the kickoff in eleven plays, making the score, 6-0. Lanier came back and completely demolished Baker's offense and defense for the rest of the game. Maybe now everyone will say about Lanier . . . . . .

"I'M A BELIEVER"



LANIER VS NORTHSIDE

42-6 "IT KEEPS ON A'HURTING" . .



. . . So says Isaac Jackson who was sidelined after 2 plays against the Northside Eagles; but Robbie Smith and Ralph Clark led the Poet offensive move to a 42-6 victory.

Summers and Haugabrooks scored one T. D. a piece and Ricky Dennis booted perfectly except for one miss during the game in conversion attempts.

34-0

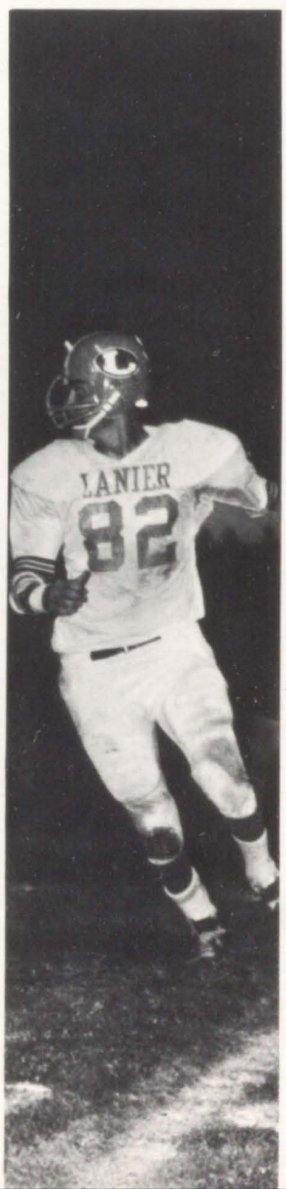
"I GET A KICK OUT OF YOU"

Charles Haugabrooks, still subbing for star fullback Isaac Jackson, played a terrific game, scoring twice, while the Big Orange defeated the Ballad Hudson Wildcats, 34-0.

Clark made a fantastic interception, for which he is now becoming well known, and ran for a 58 yard T. D. Also scoring was Andy Summers, and Alonzo Wade. And as George Jones was saying afterwards .....

"I GET A KICK OUT OF YOU!"

LANIER VS BALLARD HUDSON



21-0 LANIER VS WARNER ROBINS

Fullback Andy Summers ran for a fabulous 72 yard T. D. against Warner Robins in the beginning of the first in the most explosive game of the year for Lanier. Both the Demons and the Big Orange went into the game undefeated, but Lanier came out on top, 21-0.

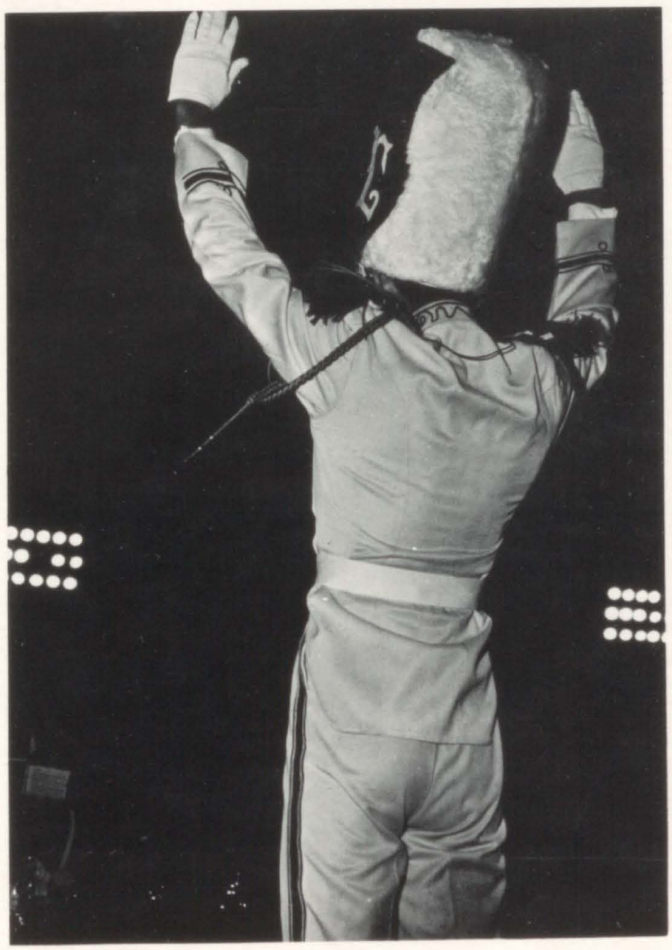
Isaac Jackson and Mike Faulk each scored on good runs and Ricky Dennis was successful on all three conversion attempts. William Harden was a defensive star of the game, pouncing on a fumble to end a big Demon threat. We realize that

"NOTHING CAN STOP US NOW"

"AT LAST"
LANIER VS MOULTRIE
14-0

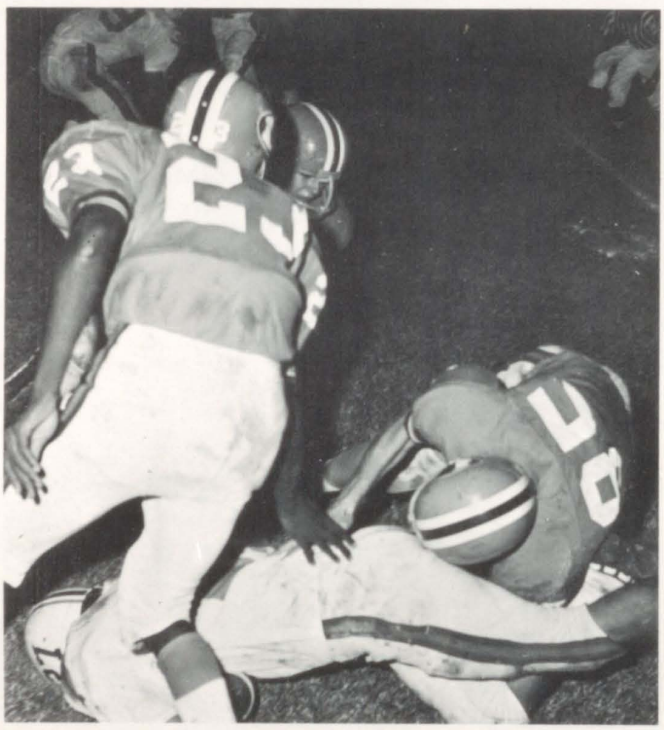
For the first time in many years, Lanier defeated the Moultrie Packers, outclassing them in offensive rushing, 262 yards to 118. The Big Orange ran on to an impressive 14-0 victory over the Packers.

Bob Giddens, scoring on a 19 yard pass from Mike Faulk, Andy Summers, running 5 yards to strike paydirt, and Charles Haugabrooks, scoring a two-point conversion from Faulk, led the Poets to glory. Robbie Smith ran for 54 yards, and Ralph Clark picked up 11 yards during the game.

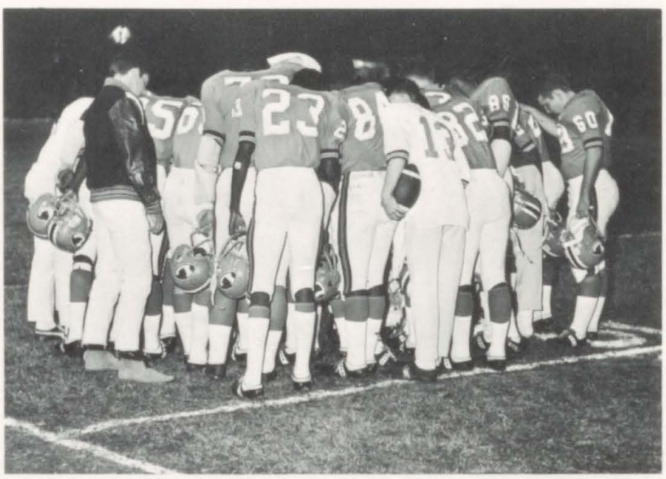


LANIER VS COLUMBUS 16-14

With 46 seconds left to play, Lanier's Ricky Dennis kicked a fantastic 27 yard field goal to beat the Columbus Blue Devil's 16–14. The Big Orange's Summers scored twice within 4 minutes in the first half to put up a 13–0 lead. In the last minutes of the half the Devils scored bringing the score to 13–7. Columbus scored once again in the second half, leading Lanier 14–13. It was then that Dennis won the game for the Big Orange, keeping our perfect season record. It was really . . . . . .



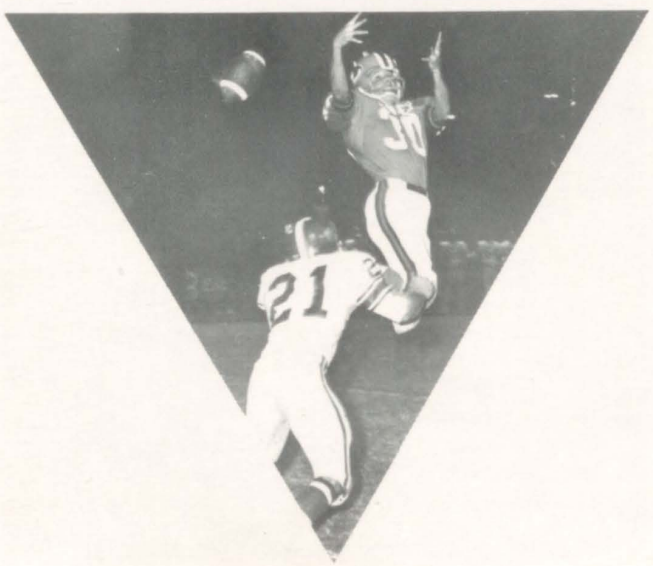
"SPOOKY"



LANIER VS JORDAN 47-6

Charles Haugabrooks again ran wild for Lanier before 4,500 Homecoming fans, leading the Poets to a great 47–6 victory over the Jordan Red Jackets. The Big Orange's 353 yards rushing made the Red Jackets 42 yards look terrible.

Andy Summers ran for two T. D.'s with Ralph Clark catching a pass in the end zone and Tim Hinson recovering a fumble in the end zone. Robbie Smith caught a two-point conversion. Big George Jones stopped a final Jordan field goal attempt in the final seconds of the game. Between the beautiful homecoming queen and candidates and the glory after the game we could call it . . . . . .



"THE DAYS OF WINE AND ROSES"

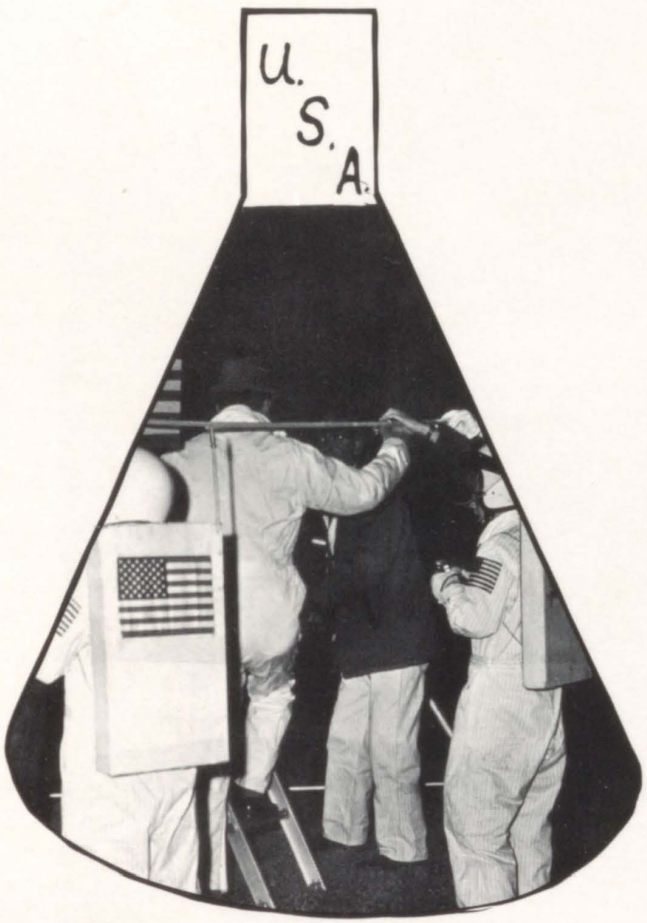
LANIER VS WILLINGHAM

18-7

Lanier ended it's regular season with a perfect record, demolishing the Willingham Rams 18–7 before 7,500 shivering fans in sub-freezing, windy weather.

Andy Summers led the scoring with 50 and 39 yard runs. Ralph Clark scored on a tremendous pass from Faulk. Making great defensive moves for the night were Joel Willis, Gil Schenks, Robert Bost, and William Hardin. So we can very well say that . . . . . .

"IT WAS A VERY GOOD YEAR"



— "In Every Way"

2 — AAA-CHAMP

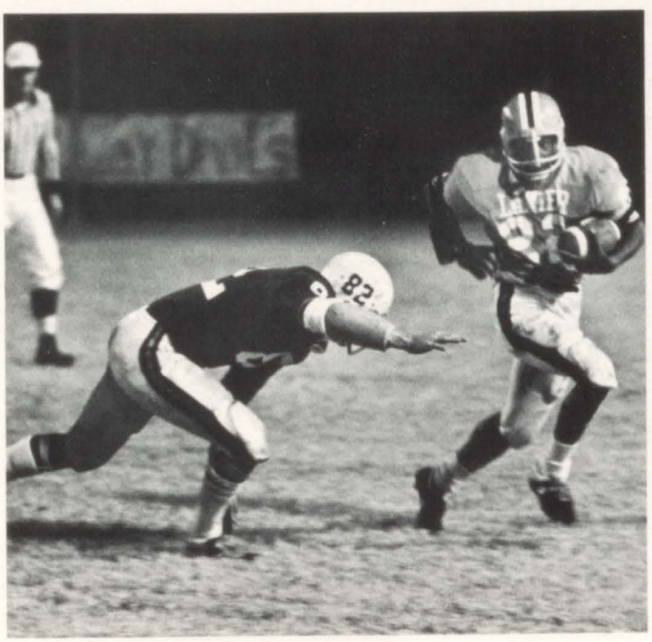
LANIER VS COLUMBUS 21-14

Andy Summers broke a deadlock with the Columbus Blue Devils in the Region 2–AAA championship with a terrific plunge over the goal line in a hard fought 21–14 victory. The game was keyed to defense in that neither team could penetrate the other on many occasions.

Ralph Clark scored the first T. D. on a 48 yard run and Alonzo Wade struck paydirt after a 45 yard run after a fantastic interception. Great defensive moves were terrific blocking by Dennis, Schenks, and Reggie Jackson.

"YOUR GOOD THING'S ABOUT TO COME TO AN END"...

Star fullback Issac Jackson was injured again in the second quarter and did not return to action. And it was about this time that Valdosta was thinking .....



LANIER VS VALDOSTA 0-23

Valdosta's powerful Wildcats, stymied for the first quarter erupted for two second quarter T. D.'s and went on to completely overwhelm Lanier's Big Orange, 23–0, on November 28, 1969, in the class AAA South Georgia semi-finals. Valdosta manhandled the Poets offensively and defensively.

The Big Orange did not even make a first down until 2:21 remained in the third quarter and had only three all night. In fact their total offense was 97 yards with the majority coming in one play.

The Big Orange had its chances, intercepting two passes (Joel Willis and Alonzo Wade) and recovering one fumble, but just could not go against the Valdosta defense. All the Big Orange players put up a brave battle, but were laid to shambles by mighty Valdosta. But maybe next year we will realize . . . . . .

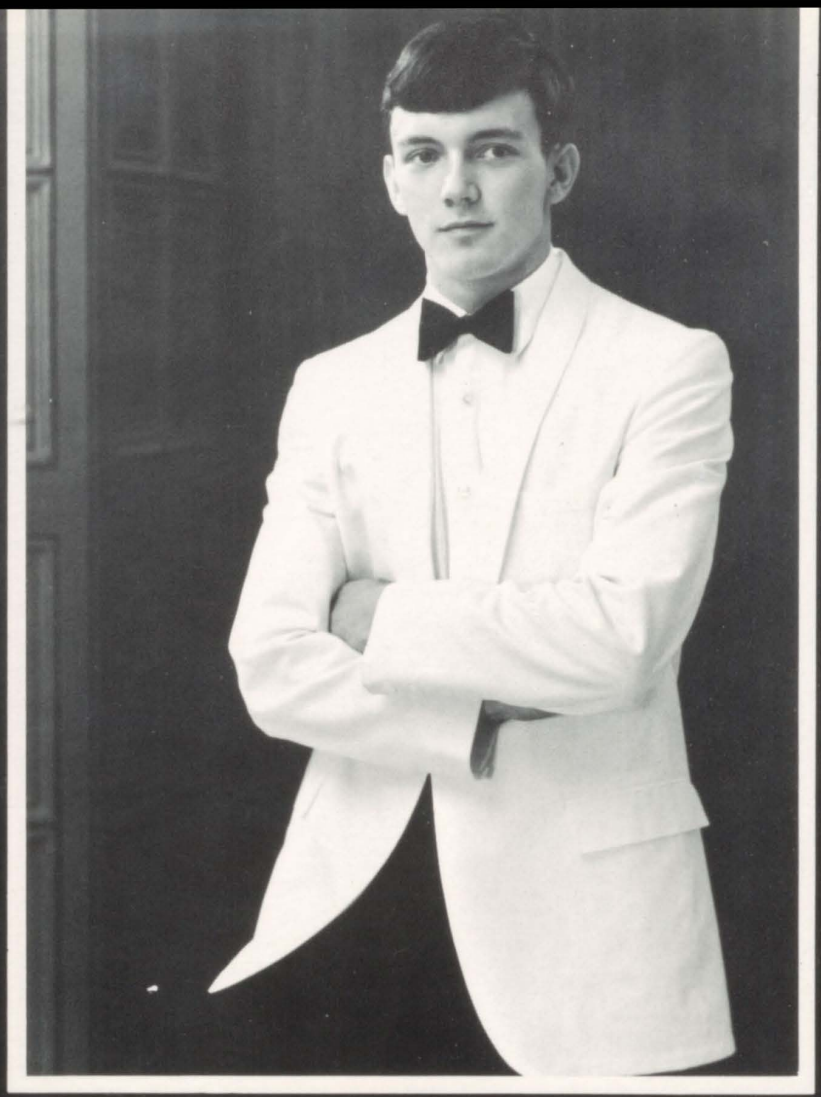
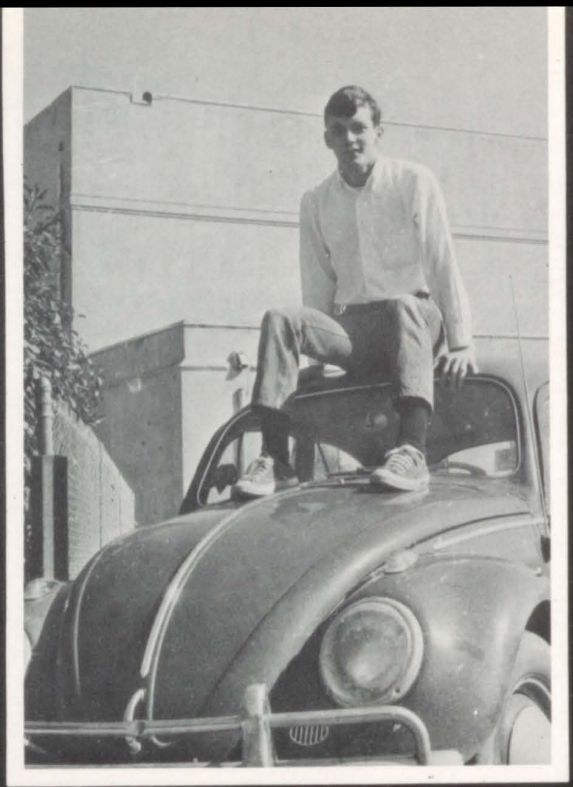
May 31, 1968.

CONNIE COFER – Because of her loyal nature and her keen wit, Connie is a favorite with all she meets. She is poised, sincere, and pleasant in manner.

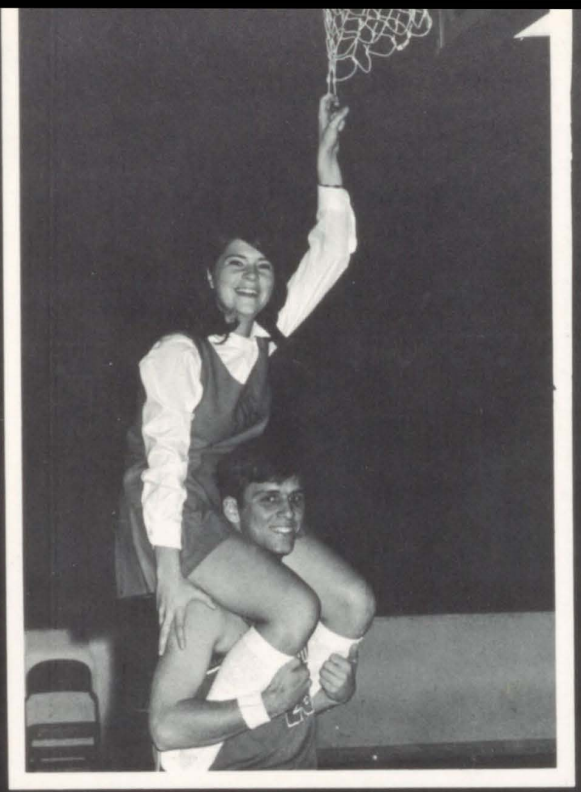
BILLY HALL – A frank, aggressive ROTC captain whose alert mind makes him a person capable of seizing opportunity and competing with the best of thinkers.



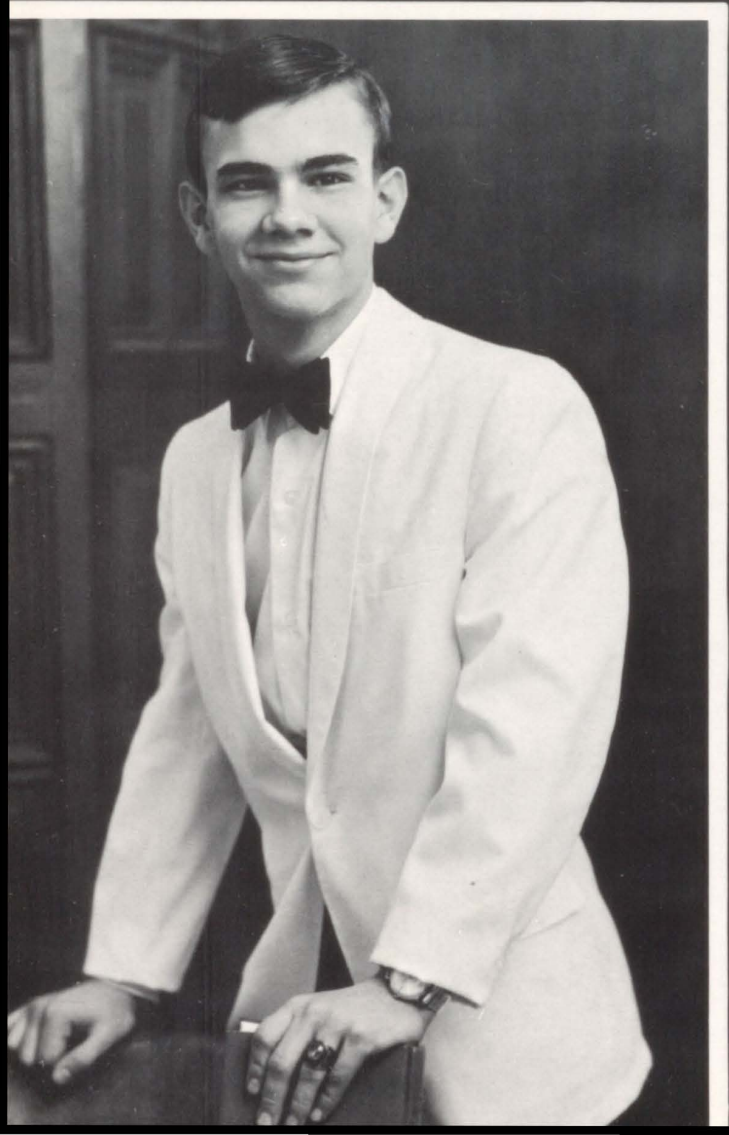


JOEY HATCHER – Joey Hatcher has consistently demonstrated superior ability in all phases of study. He has the qualifications necessary to become outstanding in many fields.

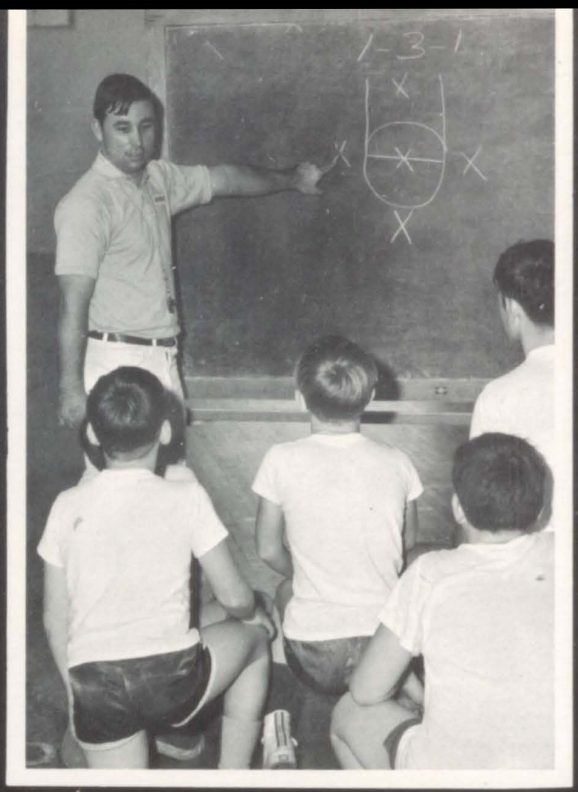
SUZIE COX – Always laughing that unique Cox laugh, Suzie's boundless energy and pep give her a special love for life. Yet she has a depth of understanding that creates a special kind of independence.



BETH HODGES – The bubble and bounce of her optimism endear Beth to all. Yet beneath it is a depth of feeling that adds zest to any situation.



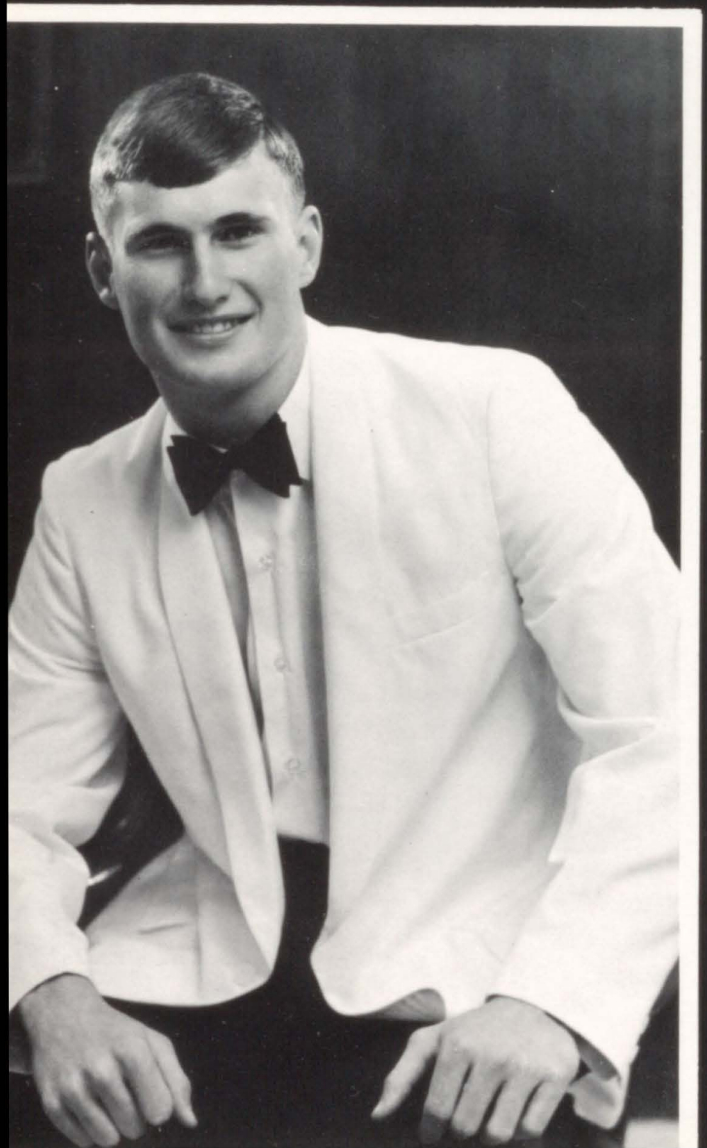
DAVID ORR – One of the most outstanding Cadet Colonels in the history of Lanier, his display of leadership comes from active participation, and serving as a symbol of Poet Spirit and Pride.



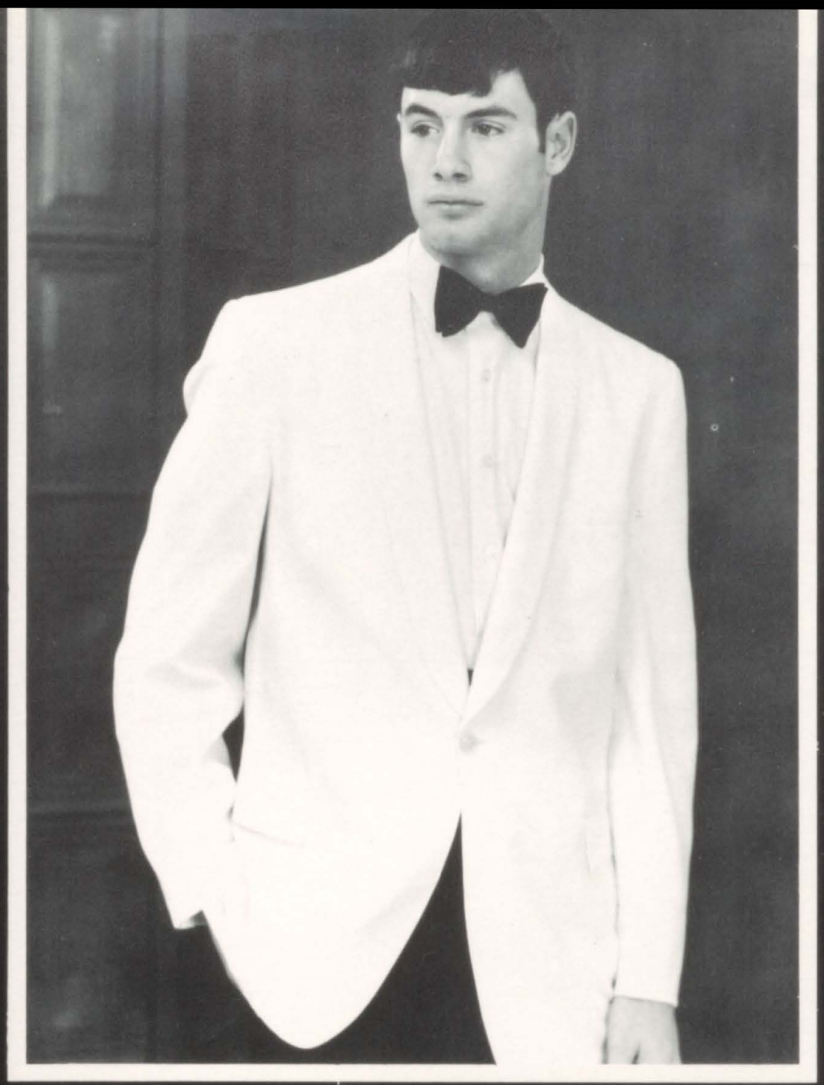
AL PATISAUL – Always cheerful and amiable – outgoing and companionable, Al Patisaul has won the commendation and friendship of his many associates.

SHERYL LAWRENCE – Sheryl's matchless ability is evidence of her great self-discipline. Join this with artistic talent, an outgoing optimism, and a dry wit and you have the keys to a personality that makes her a favorite with all.

KAY SCHRADER – Kay mixes perseverance and competence. With her seemingly boundless energy, she is a well-liked leader and a true superlative.



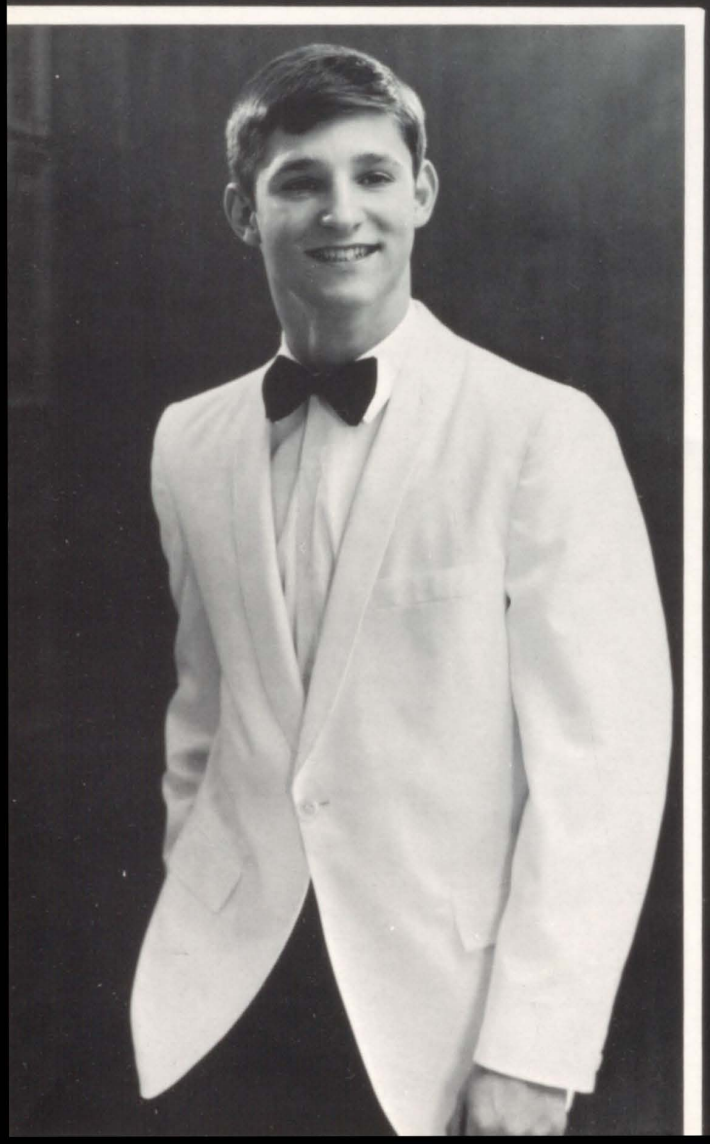
DONNIE ROBINSON – An outstanding athlete, an excellent student, and a capable leader in the military, Donnie Robinson strives for perfection in all that he undertakes.



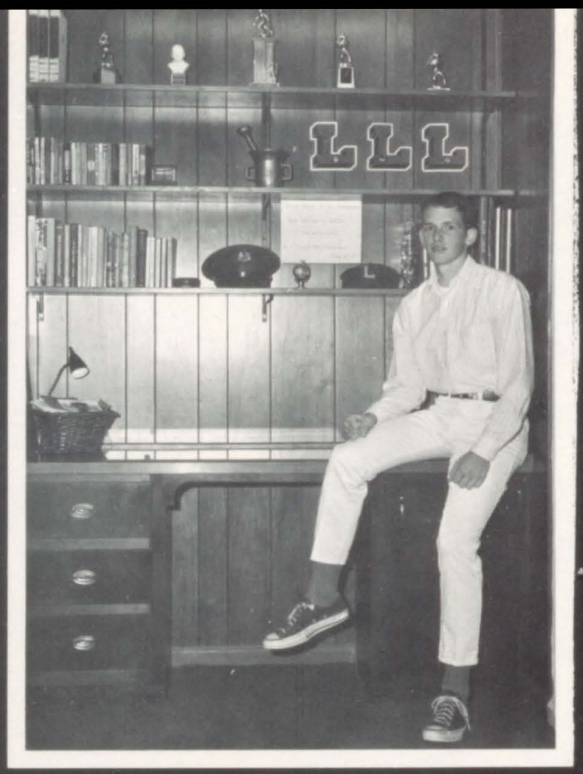
CLAUDE SMITH – As president of the Lanier Student Council, Claude Smith demonstrates his fine qualities of leadership. He is one who is most dependable and admired by all his classmates.

BETH SINGLETARY – Maturity and self-reliance are the secrets of Beth's capability. Her sincerity and good-natured manner have won her the love and respect of her fellow students.

BETH SUTTON – With the unique capacity for friendship as well as capable leadership, Beth excells in people to people relationships. She is a warm and innately happy person, doing well in whatever she undertakes.



ROBBIE SMITH – Living his belief that all strong convictions and great decisions are preceded by faith. Robbie convinces his peers of what real men are made of.



JIMMY TURNER – A dependable and conscientious worker wherever he may be has made Jimmy a friend to all.

CAM THOMAS – Cam's generous sharing of her talent wins friends for her at once. Her respect for others, her resourcefulness, and her warm-heartedness make her indespensible to the Class of '70 and to the school.

Citizens for Quality Education Begin Survey on School Matters

1. I believe these cases w[illegible] correctly decided in the d[illegible] trict court and that the const[illegible] tutional rights of the school [illegible] children in these districts [illegible] were preserved by that action.

Instead of embroiling these children in further uproar and disruption, I would pronounce a "well done" on Bibb and Houston and thus encourage other districts to go and do likewise. The record in these cases shows that no child is being excluded from any school by reason of race.

It is a rare district that can point to the fact that twenty-five per cent of its Negro students are enrolled in formerly all-white schools, as in Bibb. The same may be said of the twenty per cent in Houston. There are no more all-black schools, for the faculties and staffs have been integrated and entire classes from the formerly all-white schools are [illegible] eral courts and bureaucrats are [illegible] running the schools and that lo- [illegible] cal citizens have no voice in [illegible] running them. It said a 60-40 [illegible] ratio is unconstitutional, [illegible] fied on the argument that it [illegible] is necessary for the eradica- [illegible] tion of discrimination. When [illegible] every child is genuinely free [illegible] to attend any school it wishes [illegible] to attend, regardless of race [illegible] or economic status in life, [illegible] there simply is no discrimi- [illegible] nation. Some of these days [illegible] the courts are going to have [illegible] to recognize this fact if they [illegible] are to free themselves of [illegible] their tragic failures in the role [illegible] of school administrators and [illegible] get back to their primary [illegible] function.

2. The past history of this litigation and the existing facts fall far short of justifying summary action on appeal.

We should take advantage of the opportunity presented [illegible] white and Negro ratio in all [illegible] schools would cause "serious [illegible] disruption" and that zoning or [illegible] pairing of schools will "hasten [illegible] deterioration" of education. The [illegible] statement also expressed oppo- [illegible] sition to school bonds, taxes or [illegible] other financial support for "fed- [illegible] eral schools."

The meeting closed with an [illegible] appeal for funds to support the [illegible] work of the group.

Meanwhile, a group of [illegible] wives in Jacksonville, Fla., sent [illegible] a flood of telegrams estimated [illegible] at more than 2,000 to Chief Jus- [illegible] tice Warren Burger's office pro- [illegible] testing crash programs for inte- [illegible] grating public schools.

[illegible] gave in good [illegible] rath proceeded with deliber- [illegible] ate speed, with constructive [illegible] results, and, having done that, [illegible] it is high time for the courts [illegible] to withdraw from the picture.

Again, with deference, I re- [illegible] spectfully dissent.

Appeals Court Orders Board Plans Adopted

By GEORGE DOSS
News Staff Writer

Bibb County school officials, having just this week successfully completed transfer of approximately 375 faculty members, today face a Feb. 16 deadline for implementation of their plan adopted last month for merger of student bodies into a "unitary system."

The U. S. Fifth Circuit Court of Appeals late Thursday issued an order summarily reversing U.S. District Judge W. A. Boo- [illegible]

Texts of the court majority's order and the dissenting judge's opinion as well as a background story on the degree of integration in Bibb County schools are on Page 2A.

had asked the circuit [illegible] affirm Judge Bootle's [illegible] approval of freedom of choice and called Jackson's request for "summary reversal" a "monstrous suggestion."

The circuit court did not pass on Jackson's request for injunctive relief pending appeal, but did grant his motion for summary reversal and awarded costs in the appeal to the appellants—meaning the school boards will have to pay the costs—but denied his request for reasonable attorneys fees to be paid by the boards.

dle's Jan. 21 orders "re-approving" freedom of choice plans for both Bibb and Houston counties.

The appellate court, with one of the three judges on the panel which handled the cases dissenting, Dec. 15 order of Justice Hugo Black to go ahead with planning for such merger by Feb. 1.

Plans for full faculty dese-

Elementary Changes Are Expected Monday

By GEORGE DOSS
News Staff Writer

Bibb County school authorities today were completing arrangements for transfer of elementary school students next Monday but were hoping to work out a more gradual merger of high school student bodies to comply with last week's federal court order.

The gradual approach, which the school authorities reportedly want to complete with actual transfer of students about the middle of May, apparently is dependent on agreement of Negro plaintiffs in the case, however, and initial reactio of local NAACP leaders and Negro members of the Bibb Board of Public Education seemed to be negative.

Lawyers for both sides and some school authorities met privately with U.S. District Judge W. A. Bootle Monday morning and the proposal for the secondary schools — junior and senior high schools — emerged from that meeting.

* * *

Another meeting of lawyers with Judge Bootle is scheduled for Wednesday morning. This meeting apparently also will be private, although the Negro board members — Dr. D. T. Walton Jr., and William S. Hutchings — indicated they would like to attend.

Both Dr. Walton and Hutchings told The Macon News this morning that they have not been approached by Dr. W. Earl Lewis, board president, or other officals of the board or school system since the U.S. Fifth Circuit Court of Appeals summarily reversed Judge Bootle last week and ordered student body mergers in Bibb and Houston County schools by Feb. 16.

carry out full transfers in the secondary schools by next Monday, but they have delayed announcing any plan to close these schools temporarily, hoping that the more gradual approach will be accepted by the plaintiffs.

* * *

Some Negro leaders indicated a willingness to talk about the problems but said school board leaders had shown no inclination to communicate either with the Negro board members or their community in general.

Supt. Julius Gholson, Associate Supt. Alan W. Gurley and other school administrators held a series of meetings Monday and today to inform principals, representative teachers, student leaders and others of the transfer plans.

Dr. Gholson said individual cards will be given either Thursday or Friday to every elementary school child indicating to what school the child will be assigned next Monday. These will be given to students who will remain in the same school as well as to those who will change schools.

The cards will be signed by the superintendent and the principal of the school the child now is attending and will ask cooperation and assistance of the child's parents or guardian in effectuating the assignment under federal court order.

Selected Gro Of Board Me With Attorn

By GEORGE DOSS
News Staff Write

A selected group of Board of Public Ed members met with the attorneys Friday afterno agreed to attempt an ag a federal court order re student body mergers b 16.

Announcement of the d was made through the at Mayor Bonnie Thompson hall about 5 p.m.

A board member who a attended the meeting in fice of Attorney Frank C by invitation confirmed th group had agreed for [illegible] to file a motion for a rehe "en banc" — before judges — by the U. S. Fif cuit Court of Appeals a the decision to be announ Mayor Thompson and Jud J. Rene Hawkins, chairm a special committee whic the student merger sta proved by the board ad and now to be implemen order of the Fifth Circuit said the meeting Friday not an official meeting a official action was take

He said the board's att had been under instructi along to exhaust all lega dies and this was just a step in that process.

At least four of the members of Hawkins' committee did not atte

Bibb Waits on HEW Integration Plan

By GEORGE DOSS
News Staff Writer

Bibb County school authoriti[illegible] are awaiting a full de[illegible] segregation plan to be filed [illegible] Tuesday by the U. S. Of[illegible] ce of Education (HEW) be[illegible] re going ahead with pre[illegible] aration of their own plan for [illegible] erging student bodies.

J. Rene Hawkins, chairman [illegible] a special committee of the [illegible] bb Board of Public Educa[illegible] on named to work on the [illegible] Jan. told The Macon News [illegible] at the committee has not [illegible] set since Dec. 17 and won't [illegible] able to proceed further un[illegible] Judge W. A. Boo[illegible] the U. S. Depart[illegible] the Department of Health, [illegible] ducation and Welfare plan [illegible] vailable.

The board will have a week [illegible] fter the HEW plan is filed, or until Jan. 13, to file its own plan or suggested modifications of the HEW plan with Judge W. A. Bootle in U. S. District Court. Hawkins said he expects that to be a busy week.

A special committee of school administrators began working on development of a desegregation plan almost immediately after Judge Bootle issued his order Dec. 9 establishing a schedule for compliance with a Dec. 1 order of the U. S. Fifth Circuit Court of Appeals.

Hawkins said Wednesday that the administrative staff has assembled all possible information, including residence locations of all students in the system, and has that available for use when his committee gets down to work on its own plan next week.

Supt. Julius Gholson said last month that the administrative staff would be working through the holidays on the desegregation plans, but efforts to reach him or other members of the staff earlier in the week were unsuccessful and the school system's central office at 2064 Vineville Ave., has been closed to the public.

Some members of the board's special committee expressed concern that there had been no meetings or activity toward developing a plan during the holiday period. They said they had received copies of some letters from the public which had been sorted by a committee member but nothing more since the Dec. 17 meeting.

A special committee on desegregation and integration to the desegregation plans, but efforted to reach him or other members of the staff earlier in the week were unsuccessful and the school system's central office at 2064 Vineville Ave., has been closed to the public.

Bibb and Houston School officials were cheered today by a ruling in favor freedom of choice by Judge A. Bootle of U.S. District here while an attorney for plaintiffs said the deci will be challenged.

Thomas M. Jackson, attorney Negro plaintiffs in the Bibb ty desegregation suit, said ould file a motion for sum- reversal of the decision quickly as I can get other s aside."

Jackson indicated he was surprised by the ruling and said "I think it was certainly clear to everyone that freedom of choice is not workable."

Dr. Earl Lewis, president of the Bibb board of education probably summed up the sentiment of most of the board members with this statement:

"We are most gratified that we don't have to tear up the system in the middle of the year and upset students, particularly senior classes."

As far as we are concerned, it is now the law. We have said all along that whatever the law is, we will abide by it."

At least one school board member found the ruling unfavorable. William S. Hutchings, one of two Negro board members, said the decision is "monumental travesty on justice. It is contrary to what a court directions have been."

J. Allan Gurley, associate school superintendent, said "I am real glad, we fought for freedom of choice for five years."

Gurley said that assignment for integrating faculty and staff in all schools in the system i a 60-40 white to black ratio, a required by an appellate cour ruling and repeated in the late ruling, had been made.

Letters informing teachers of assignments have been mailed out already, Gurley said, and administrative staff assignments have been made but letters have not yet been mailed.

The transfers, involving 4 teachers, will take place some time between Jan. 26 and Feb he said.

Th ruling prompted the Bibb Council of Parent-Teacher Associations to send a telegram to dge Bootle commending him hr his action "in not disturbing the children in mid-term," according to council president Mrs. C. Richard Sanders.

The Council earlier this week sponsored a campaign to send letters to President Richard Nixon protesting court orders

ATLANTA, Ga. (AP)—Gov. Lester Maddox said Saturday he will ask the General Assembly this week to amend the state's compulsory school attendance laws so they would not apply in cases where pupils were denied freedom of choice.

This is a state matter," Maddox said in a telephone interview. "I don't think it would be in violation of any federal statute whatsoever."

The announcement of the impending proposal was made in a release by Maddox's press secretary. It quoted the governor as saying the present laws would be amended "so as to make them inapplicable where children are denied their inherent constitutional and divine right" to attend the school of their choice.

Maddox later declined to spell out the specifics of his proposed amendment.

"I think I have made it specific in saying that I hope the legislature will pass a change to the law," Maddox said. He added, however, that the proposal was "still in the process of being drafted."

The press secretary's release had quoted Maddox as saying he believed Georgians "would be making a mistake" if they failed to hear broadcasts of his State of the State address. The address, scheduled at noon Tuesday, will be carried on statewide radio and television and will come only one day after the 1970 General Assembly was convened.

Maddox was asked if he intended to present his proposed amendment during his State of the State address.

"No sir," he replied. "but it will deal heavily with the crisis with which we are confronted and how it was brought about." He also noted that "it might be well for Congress to take time off and get a tape (recording) of it too."

He said he would offer the amendment early in the week and added: "I can only hope that it receives the overwhelming support of the General Assembly."

Letson said the compulsory attendance law is a state measure and pointed out that some southern states have already repealed such laws.

He also said he did not believe federal courts would have any jurisdiction in the matter.

If such action should be taken, he said, I think there would be some students caught in the desegregation process who would drop out of school and there would be no recourse. Hopefully, that number would be very small."

The Atlanta demonstrations, involving more than 1,000 black and white pupils, have staged in protest to a court requiring the school system achieve racial balance a faculty and students.

The ruling—by the 5th Circuit Court—requires tra of about 1,700 teachers achieve a ratio of 57 per Negro and 43 per cent teachers in each school by 1. It also will necessitate transfer of about 3,000 pup meet a Sept. 1 deadline.

The demonstrations brought comments Saturday from former state Sen. Jo Carter of Plains and Comptroller Gen. James L. Be two potential gubernatorial didates this year.

Carter said the arbitrar signment of teachers and to schools on the sole bas race "may well endanger education in some school tricts" and suggested tha only logical solution "would to follow the freedom of concept.

"We must preserve the pol school system in every co ity," Carter said. "How the deprivation of indiv freedom can never be the co which to build this syst

HEW Suggests Three High Schools in Bibb Black March Protests Ballard-Hudson Loss

Students Visit Mayor; Girls Drop by Board

Suspended Students Get Amnesty

By GEORGE DOSS
News Staff Writer

The Bibb Board of Public Education, at the urgent request of Mayor Ronnie Thompson, today agreed to allow all students suspended for protest walkouts to return to their schools without penalty Thursday morning.

Supt. Julius Gholson, in announcing the decision, said in granting the general amnesty for the white students who have walked out in recent days in protest of court-ordered changes in the school system the school authorities are issuing a warning to all students that the rule of automatic suspension for leaving school without permission will be strictly enforced from this point on against any violators.

Thompson, who is an ex-officio member of the school board has not attended the last

Bibb Board Will Sugge Coeducation Compromis

Governor Won't Attend Protest Meeting Here

Invitations to Flynt, Maddox Withdrawn

The scope of a desegregation protest rally scheduled in Macon today was drastically reduced yesterday when invitations to Gov. Lester Maddox and U. S. Rep. John J. Flynt Jr. were withdrawn.

The meeting, to be held in Macon Coliseum at 3 p.m., now will be directed primarily toward young people, Mayor Ronnie Thompson said.

Thompson, who scheduled the meeting and invited Maddox and Flynt, said he and Bibb Board of Education Chairman Dr. W. Earl Lewis will be the only speakers.

Thompson said that while will be welcome, today's "will be one totally oriented ward young people and eadership, hopefully that expressions might ar- the total community with he problem is and how it resolved."

mayor reached the de- to withdraw the invita- to Maddox and Flynt a round of talks with lo- ivic, educational and bus- leaders yesterday morn-

He indicated the rally had mushroomed beyond anything he expected when he issued the invitations.

"The rally was originally oriented toward young people," the mayor said. "I had not anticipated that so many people from outside our area would plan to come to Macon. I would like to know more about what their interest might be in this situation before we would have

meeting, with inflammatory speeches, could create turmoil while having no effect on the court rulings.

Both Maddox and Flynt understood the mayor's change of mind and agreed not to come, a spokesman said.

Thompson issued the invitations last week before leaving for Washington, sources in Atlanta said Maddox received a telegram from Thompson from Washington Friday inviting him to the rally. Thompson then talked to the governor by telephone from Macon Friday night, the sources said, and the governor's acceptance was confirmed.

Thompson personally talked to Maddox by phone yesterday and withdrew the invitation.

In Atlanta, Maddox told the Telegraph-News, "Macon is a ay, the dead great town . . . I have been advised by Mayor Thompson that they want to keep it strictly with the young people, and that's their prerogative."

Maddox said Thompson told him "they are not prepared for a large meeting at this time. I had an invitation to appear, requesting my presence on behalf of all the young people, and I have over 800 wires from Macon urging me to come. But Mayor

Maddox Would Change School Attendance Law

Bootle Favors Freedom of Choice In Ruling on Bibb, Houston Cases

Bibb Public Schools Need Your Support

"Certainly public education is e only answer."

So said Bibb County Commissioner F. Emory Greene, ex-officio ember of the Board of Education. e agree whole-heartedly with m.

Mr. Greene had just introduced motion calling for community pport of whatever school plan is timately decided for the Bibb unty schools.

No one should have to be conced how essential a strong proion of public education is to the ture of Macon. No one should ve to be told that the strength of r public schools will depend significantly influenced by what goes on in the classroom.

We don't expect everyone to agree on the final plan decided by the courts. The issue is now more than race, for it also involves school centralization and coeducation.

We ourselves were disappointed when the Board of Education's plan preserved non-coeducational senior high schools. Like the more than 75 per cent of parents, students, and teachers polled in the board's own survey, we believe that coeducation is best for Bibb's students.

But the important thing now is

'Citizens for Quality Education' To Meet Sunday in City Auditorium

An organization calling itself the Citizens Committee for Quality Education, which apparently began work in Macon late in December, will hold a public meeting at 2 p.m. Sunday in City Auditorium, under the chairmanship of Bibb County Rep. Marshall Keen, a Republican.

The purpose of the meeting is to explain the goal of the organization and to initiate a community-wide door-to-door canvass of Macon and Bibb County," Keen said.

Keen, who will moderate the meeting, said that several persons will make brief talks, possibly including state Sen. Billy

Keen said that arrangements have already been made for the community survey, with computer cards printed for citizens to fill out.

The county has been divided into precincts," Keen said, and precinct captains have been assigned. Volunteer workers will be recruited at the meeting Sunday and asked to take a block

ed chairman, with Mrs. C. Richard Sanders vice chairman. Mrs. Sanders is president of the Bibb County PTA Council.

Other officers are Mrs. Charles H. Carroll, corresponding secretary, Malcolm Ivey, treasurer, and Mrs. Charles E. Fortner.

Keen said the group had an advisory board consisting of Dr. W. C. Whitley, Aaron O. Cook Jr., Kenneth Carithers, and Billy Henderson.

Keen said the meeting Sunday is open to the public, both white and Negro. "We are counting on Negroes very much," he said. "We want the black community to participate and we want many black workers to help in the canvass. We will cover Negro communities as well as white in the survey. It's imperative to have the whole community."

Keen said that arrangements have already been made for the community survey, with computer cards printed for citizens to fill out.

The county has been divided into precincts," Keen said, and precinct captains have been assigned. Volunteer workers will be recruited at the meeting Sunday and asked to take a block

in their neighborhood for canvassing.

Once all the cards have been filled out and returned, Keen said, cards will be processed and tabulated and the information made available to officials and others. It probably be availab 19, he said.

"It seems like a go peaceful way to let heard," Keen said. " tions on the card are tions that have most frequently been asked."

The card has spaces for the following information: a g whether 13-17 or 18 and older; whether a registered voter and race, black, white or other.

The card contains six questions, with space provided to check either yes, no or no opinion as answers. The questions are:

1—Do you believe that Federal interference in our school system should cease?

2—Do you think that parents should have a major voice in the education of their children?

3—Do you feel that the forced transfer or bussing of students and teachers will cause serious educational loss and emotional harm?

4—Are you in favor of directing your congressman to take away the Supreme Court the power to rule in educational cases?

5—Would you be in favor of

Desegregation

"My total concern at this time," Thompson said, "is that whatever number attends will be orderly, responsible, and complimentary to the City of Macon and the County of Bibb."

He said a major reason for scheduling the meeting was to find a place for young people to meet and express themselves, and to discourage them from street demonstrations and marches.

Sources said the point was made at yesterday morning's meetings that a volatile protest

Although the question concerning busing is on the questionnaire, Keen noted that the plan submitted by HEW for Bibb County does not call for busing.

A plan being formulated by the Bibb County Board of Education is similar to the HEW plan in this respect. It also provides for the "neighborhood school" concept, which does not require any more bussing than is presently necessary in the school system.

Keen said that other questions had been asked, including some dealing with the election of school board officials and with coeducation, but he said that those listed were the most frequent.

Both Maddox and Flynt had been scheduled to address the rally, U. S. Sens. Richard Russell and Herman Talmadge also were invited, but said they could not attend.

Maddox said if he had attended he would have urged people throughout the state and the South to keep their children out of school rather than accept required transfers.

Bibb County's 'Other' Parents Have Their Say About the Public Schools

By GRACE T. CRAWFORD
News Staff Writer

This has been a week to remember in Macon.

For in a community that has had so little racial strife compared to other areas of the country, demonstrations and marches, protests and Macon News. And the intense reaction of thousads of Bibb Countians has been shown in the accounts of this eventful week.

The courts have ruled, local governmental bodies have reacted, some parents have protested, and all of this has said, they believe that because the Supreme Court is not likely to change its decision, it is the obligation of intelligent people to make the best of a difficult situation, and obey the law, even though some may not agree with all aspects of that law.

dren to leave school, people should contact the school and ask what they can do to help."

"I've never seen adults act so rabid," said a West Macon mother. "All they're doing is making bad matters worse —inflaming their children."

fear of antagonizing employers.

"I'll tell you something," said one woman, "I work for a racist, and if you used my name, I'd get fired before I got inside the door. But I will say that all this stupid behaviour this week is just hurting

ADMINISTRATION

MR. BELL SERVES AS AN EFFECTIVE LINK BETWEEN THE STUDENTS AND THE FACULTY

Mr. Bell, in his second year as principal, has continued the progressive administration he began last year. Mr. Bell is the epitome of versatility and never-failing thoughtfulness. He works untiringly to give the students all the benefits he possibly can. He is truly the students' friend. He is open-minded and always ready to change; he never fails to consider all sides of a question before making his decision.

Mr. Bell's enthusiasm has played a great part in leading Miller forward, but this progress would not have been possible without a dedicated and capable faculty to support him.

Student Council Appointed Officers

Student Council Representatives

LANIER STUDENT COUNCIL

The 1970 Lanier Student Council has tried to take an active role in this school year. Besides sponsoring the annual homecoming, the council has held several pep rallies, a bonfire, and a homecoming dance. To boost spirit, several "Big Orange Days" were also held. The Student Council sponsored a canned goods drive for needy families at Christmas. In January, the council put on another dance after a basketball game. A "Ranger Day" was held in the spring.

There is an Honor in Business that is the fine gold of it; that reckons with every man justly; that loves light; that regards kindness and fairness more highly than goods or prices or profit. It becomes a man more than his furnishings or his house. It speaks for him in the heart of everyone. His friendships are serene and secure. His strength is like a young tree by the river.

SEABOARD RAILROAD

AND ALL THE REST!

1970

– perhaps we were destined for the events of this past year, the class of 1970. At Lanier, students completed the first full year in the new building. Miller saw her thirty-second birthday. Coeducation saw the most definite steps taken towards it since 1924. The Lanier football team captured a hard-fought region championship for the second year in a row. And the date "February 1" and the numbers "60 – 40" will have a new significance for the rest of our lives. The staff has tried to capture these and other events the best we know how. Our thanks goes out to Charlie Dorsey, our annual consultant, and to Joe DeGrandis, our photographer. Our thanks **and** respect go to Miss Long and Mr. McElroy for the tremendous part they played in this annual. As we write this, we don't know if the **Sabers and Sashes** will exist next year. No one can even predict whether "Lanier" and "Miller" will exist next year. The only thing we can be sure of is that 1970 is

the end of an era ...

The Editors –
Debra Emerick and Mike Rainwater
